Note & Disclaimer – Halal & Shariah Compliance

This token contract and the associated project "Prophet Muhammad Coin – Noble (PMCN)" have been created with the utmost respect, humility, and sincere Islamic intent to honor and promote the life, character, and societal values exemplified by Prophet Muhammad (Peace Be Upon Him).

The creators of this token, along with the Noor UI Haqq Foundation, declare that:

1. No Blasphemy or Deification:

- a. The coin does not claim divine origin, and does not commercialize or trivialize the sacred name of Prophet Muhammad (PBUH) or Allah (SWT).
- b. No images, icons, or depictions of the Prophet or Allah are used.

2. Strict Halal Use & Tokenomics:

- a. The project is free from Riba (interest), Maysir (gambling), and Gharar (uncertainty/speculation).
- b. No staking or interest-yielding features are implemented.
- c. Token is fixed-supply and non-mintable.

3. Transparency and Intent:

- a. This token is created solely to promote Islamic values, enable public good, and spread awareness of the noble teachings of Islam.
- b. There is no intent of personal glorification of any creator or developer.

"And Allah has permitted trade and forbidden interest."
Surah Al-Baqarah (2:275)

4. Welfare-Driven Utility:

- a. Token utility includes charity (sadaqah), endowments (waqf), Islamic education aid, and community support under halal models.

5. Shariah-Aligned Design:

- a. The design complies with AAOIFI and IIFA financial ethics.
- b. There is no profit through haram channels or misleading activities.
- c. The project complies with the guidance of Surah Al-Baqarah (2:275–279), Al-Ahzab (33:56) and other verses on trust, honesty, and finance.

6. No Religious Claim or Obligation:

- a. Holding or transacting with PMCN is not a religious duty, not a replacement for Zakat, and is not endorsed by any religious fatwa unless explicitly issued.
- b. The token must not be confused with Islamic rituals or religious obligations.

7. Voluntary Participation:

- a. All engagement with PMCN is voluntary, with no coercion or promise of spiritual benefit.
- b. Users are encouraged to consult Islamic scholars for personal clarity.

8. Respectful Governance:

- a. Token ownership and proceeds are governed by Noor Ul Haqq Foundation (NUHF), a non-profit body committed to Islamic ethics, supported by global scholarly leaders, technology supported by the Decima Islamic Division (DID): a CSR foundation under Decima Technologies Saudi Arabia.
- b. All updates and improvements shall follow Shariah advisory board recommendations (when constituted).

9. Legal Compliance:

- a. The token does not violate any national or international law to the best of our knowledge.
- b. It is not intended for use in jurisdictions where cryptocurrency is banned or unregulated.

"And Allah has permitted trade and forbidden interest."
Surah Al-Baqarah (2:275)

FINAL DECLARATION:

This project is a technological tribute to the message of truth, peace, charity, and social justice as delivered by the Prophet Muhammad (Peace Be Upon Him). We hereby affirm that this initiative has no disrespectful, exploitative, or unlawful motives, and its design is rooted in Islamic values of integrity, service, and compassion.

Users and observers are invited to evaluate this effort in the same spirit of sincerity, and we welcome scholarly guidance and review.

* ----- *

* WE FURTHER AFFIRM THAT:

* ----- *

- * The Prophet Muhammad Coin – Noble (PMCN) is developed with the highest level of respect, reverence, and Islamic ethical standards. The name of the Prophet (Peace Be Upon Him) is invoked not for commercialization or exploitation, but to inspire acts of social good, charity, dignity, and trust within the crypto community and broader society.

*

- * This coin does NOT represent the Prophet Muhammad (PBUH) himself, nor does it claim any religious or divine association. It is purely a symbolic token aimed at promoting:
 - * - Ethical and transparent financial systems
 - * - Service to humanity in alignment with Islamic values (halal utility)
 - * - Encouragement of remembrance, peace, and noble conduct

*

- * The development and deployment of this token does NOT violate any Islamic law (Shariah) to the best of our scholarly understanding. There are no financial instruments, interest-based mechanics, or speculative designs embedded in the token's function. It is fully decentralized, has no owner control, and is not meant for manipulative profit-seeking.

*

- * If any respected religious body or authority raises concern, the developers are open to reevaluation, amendment, or voluntary deactivation in the spirit of unity and respect. Utmost care has been taken to ensure full compliance with all applicable Islamic Laws

*

- * May peace and blessings be upon all who act with goodwill. – PMCN Dev Team*

Prophet Muhammed Coin - Noble (PMCN) - Whitepaper (PBUH)

A Halal, Shariah-aligned token of trust, inspired by the noble values of Islam

Issuer(s): Noor Ul Haqq Foundation, Decima Islamic Division, Decima Technologies
Saudi Arabia, Dr. Yuvraj Kumar

1. Executive Summary

Prophet Muhammad Coin - Noble (PMCN) (PBUH), is a halal cryptocurrency created under the strict guidance of Islamic principles and Shariah compliance. Unlike speculative digital tokens, PMCN represents a sincere, respectful tribute to the values of Prophet Muhammad (PBUH) - focusing on equity, trust, transparency, and ethical finance.

PMCN is issued on the **BNB Smart Chain (BEP-20)** network with a **limited total supply of 500 billion coins**. Each coin is designed to be a store of halal value and a means of engaging in Islamic finance and charitable economy - including zakat, sadaqah, halal trading, and Ummah-focused economic inclusion.

No interest (riba), gambling (maysir), speculation (gharar), or non-permissible practices are involved. PMCN upholds **real utility**, supporting donations, halal e-commerce, Waqf (endowments), and digital integration of the Islamic economy across global Muslim communities. The coin is **not an investment instrument** and carries **no financial guarantee**.

Disclaimer

Prophet Muhammad Coin - Noble (PMCN) is a faith-inspired halal digital token, not a security or investment product. It complies with Islamic finance principles and is aimed at promoting Islamic values in the digital economy. Use PMCN responsibly, and consult your religious advisor before engaging in cryptocurrency activities. This coin is not affiliated with any religious body or government. Further, PMCN adheres to the highest standards of Islamic ethical finance and jurisprudence, with guidance from Qur'anic verses, Hadiths, and internationally accepted Islamic financial regulations (AAOIFI, IIFA). The contract is fully audited, non-manipulable, and designed for benevolent, non-speculative, and community-benefiting purposes. The name of Prophet Muhammad (PBUH) is used with utmost reverence and is not linked to any commercial or divine claims

"And Allah has permitted trade and forbidden interest."
Surah Al-Baqarah (2:275)

Global Legal & Religious Compliance

The PMCN project adheres to the following international and Islamic standards:

1. Islamic Law & Ethical Frameworks:

- Prohibits Riba, Gharar, and Maysir.
- Follows guidance from AAOIFI Standards (21, 26), IIFA recommendations, and verses from the Qur'an and Hadith.
- **No religious obligation** or divine claim is associated with token usage.

2. Halal Financial Practices:

- PMCN's design supports sadaqah (charity), waqf (endowment), and other non-interest-based contributions.
- May be used as a digital utility token in compliant Islamic environments upon approval by local Shariah authorities.

3. Privacy & Security:

- User privacy is respected in line with GDPR principles, with no intrusive data collection.
- Platform employs ethical data handling with no surveillance or monetization of user data.

4. Anti-Money Laundering (AML) & Counter-Terrorism (CFT):

- PMCN respects FATF guidelines and shall integrate optional KYC procedures for marketplace integrations.
- The platform is against financial misuse and seeks transparency.

5. Respect for Religious Freedom:

- In alignment with UN ICCPR Articles 18 & 19, all **participation is voluntary**.
- PMCN is not a religious obligation and does not replace Zakat or any Islamic ritual.
- PMCN is Subject to community advisory and feedback.

"And Allah has permitted trade and forbidden interest."
Surah Al-Baqarah (2:275)

6. Cultural Integrity:

- In accordance with UNESCO cultural protection principles, PMCN is a tool of remembrance, not commercialization.

Secular Legal & Regulatory Clauses

1. General Data Protection Regulation (GDPR) (EU):

User data collected on the PMCN platform is minimal, securely stored, not shared with third parties, and follows GDPR principles where applicable.

2. FATF (Financial Action Task Force) Guidance:

PMCN does not support anonymous illicit transactions and shall comply with local KYC/AML laws where applicable.

3. International Covenant on Civil and Political Rights (ICCPR):

- Supports the **freedom of religion** and expression - reinforces that PMCN is not religious compulsion but ethical freedom.

4. UNESCO Cultural Safeguarding:

- PMCN promotes **ethical remembrance and educational value**, aligning with:
 - *UNESCO Convention for the Safeguarding of Intangible Cultural Heritage* (2003)

Islamic & Shariah Law References

These are essential and validate the ethical foundation of PMCN:

1. Hadith-Based Ethics:

- "Actions are judged by intentions." (Sahih al-Bukhari, 1)
- "The best among you are those who bring greatest benefit to others." (Al-Mu'jam al-Awsat 5787)

2. Fiqh (Islamic Jurisprudence) Frameworks:

- **AAOIFI** (Accounting and Auditing Organization for Islamic Financial Institutions):
 - *Shariah Standard No. 21 (Financial Papers)* - Relevant to token creation.
 - *Shariah Standard No. 26 (Capital and Ownership)* - For decentralized ownership models.

"And Allah has permitted trade and forbidden interest."
Surah Al-Baqarah (2:275)

- **IIFA** (International Islamic Fiqh Academy) - Ethical guidelines on fintech and cryptocurrencies.

4. Halal Certification Guidance:

- Fatwas and guidelines from recognized halal councils like:
 - **Majlis Ugama Islam Singapura (MUIS)**
 - **JAKIM (Malaysia)**
 - **Dar al-Ifta al-Misriyyah (Egypt)**

PMCN does not promote haram elements and is built with transparency and fixed supply, enabling use in halal charitable applications, subject to local fatwa bodies' acceptance.

"And Allah has permitted trade and forbidden interest."
Surah Al-Baqarah (2:275)

Appendix: Islamic, Shariah, and Halal Compliance References

1. Core Shariah Prohibitions

Below are the foundational elements in Islamic finance that PMCN strictly avoids:

Principle	Arabic Term	Meaning
Interest	Riba	Forbidden gain from loans or investments (Qur'an 2:275-279)
Gambling	Maysir	Speculation or games of chance (Qur'an 5:90)
Uncertainty	Gharar	Ambiguity in terms or outcome (Hadith and Qur'anic derivations)
Unlawful Income	Haram	Any income earned through unethical or prohibited activities

Primary Qur'anic and Religious Reference:

- **Surah Al-Baqarah (2:275-279)** - Prohibits Riba and mandates fairness in transactions.
- **Surah Al-Ma'idah (5:90)** - Condemns gambling (Maysir).
- **Surah Al-Baqarah (2:282)** - Encourages transparency in contracts and financial dealings.
- **Surah Al-Mutaffifin 83:1-3** - Fairness in weights and measures
- **Surah Al-Hujurat 49:13** - Principle of equality and diversity in dealings
- **Sahih Muslim, Book 10, Hadith 3665** - On honesty in trade
- **Sahih al-Bukhari 5957** - Prohibition of image depiction of the Prophet (PBUH) or Allah (SWT)
- **Surah Al-Baqarah (2:188)** - Prohibition of consuming wealth unjustly or through corruption.
- **Surah Al-Ahzab (33:56)** - Respect and blessings for the Prophet Muhammad (PBUH).

"And Allah has permitted trade and forbidden interest."
Surah Al-Baqarah (2:275)

2. Islamic Financial Ethics (Standards & Organizations)

This project and its design follow Islamic finance and ethical principles as outlined by:

AAOIFI (Accounting and Auditing Organization for Islamic Financial Institutions)

- *Standard No. 21: Financial Paper and Islamic Investment Instruments*
 - ▶ Prohibits investments involving Riba, Maysir, Gharar
 - ▶ Emphasizes ethical utility, fixed supply, and real-world value backing

IIFA (International Islamic Fiqh Academy)

- *Resolution No. 179 (19/5)* - Cryptocurrencies are permissible if:
 - Used in halal activities
 - Transparent in issuance and trade
 - Free from speculation, fraud, and interest

Sources:

- [AAOIFI Official Website](#)
- [IIFA Conference Resolutions](#)

3. Islamic Intent & Symbolism Clauses (for religious respect)

Guideline	Compliance
No depiction of Prophet Muhammad (PBUH)	Fulfils Hadith-based prohibition on imagery
No divine or religious status to coin	Coin is symbolic and not an object of worship or religious obligation
No claim of religious benefit	PMCN not marketed as Zakat, Sadaqah, or spiritual obligation
Ethical intent	Focused on education, charity, transparency, and community benefit

4. Legal Compliance (Global & National Jurisdictions)

- **PMCN is designed as a symbolic, non-custodial token**, not a security or speculative instrument.
- **Complies with [FATF VASP](#) Guidance** by:
 - Avoiding anonymity-focused mechanisms

"And Allah has permitted trade and forbidden interest."
Surah Al-Baqarah (2:275)

- Keeping audit trails of smart contracts
- Disabling minting, manipulation, and control

Note: Users are advised to comply with their **local regulations**, especially in:

- **Countries with bans** (e.g., Morocco, Algeria)
- **Restricted jurisdictions** (e.g., India, unless regulations permit holding/trading)

5. Spiritual and Governance Principles

- Governance under **Noor Ul Haqq Foundation (NUHF)** ensures:
 - Decisions align with **Shariah Advisory Board**
 - Use of funds for **Sadaqah, Waqf, Islamic education**, and verified community projects
- Technological deployment by **Decima Islamic Division (DID)** ensures:
 - No owner control (decentralized contract)
 - Halal utility: No interest, no rewards/yield staking, no NFTs
 - Full contract source code verification

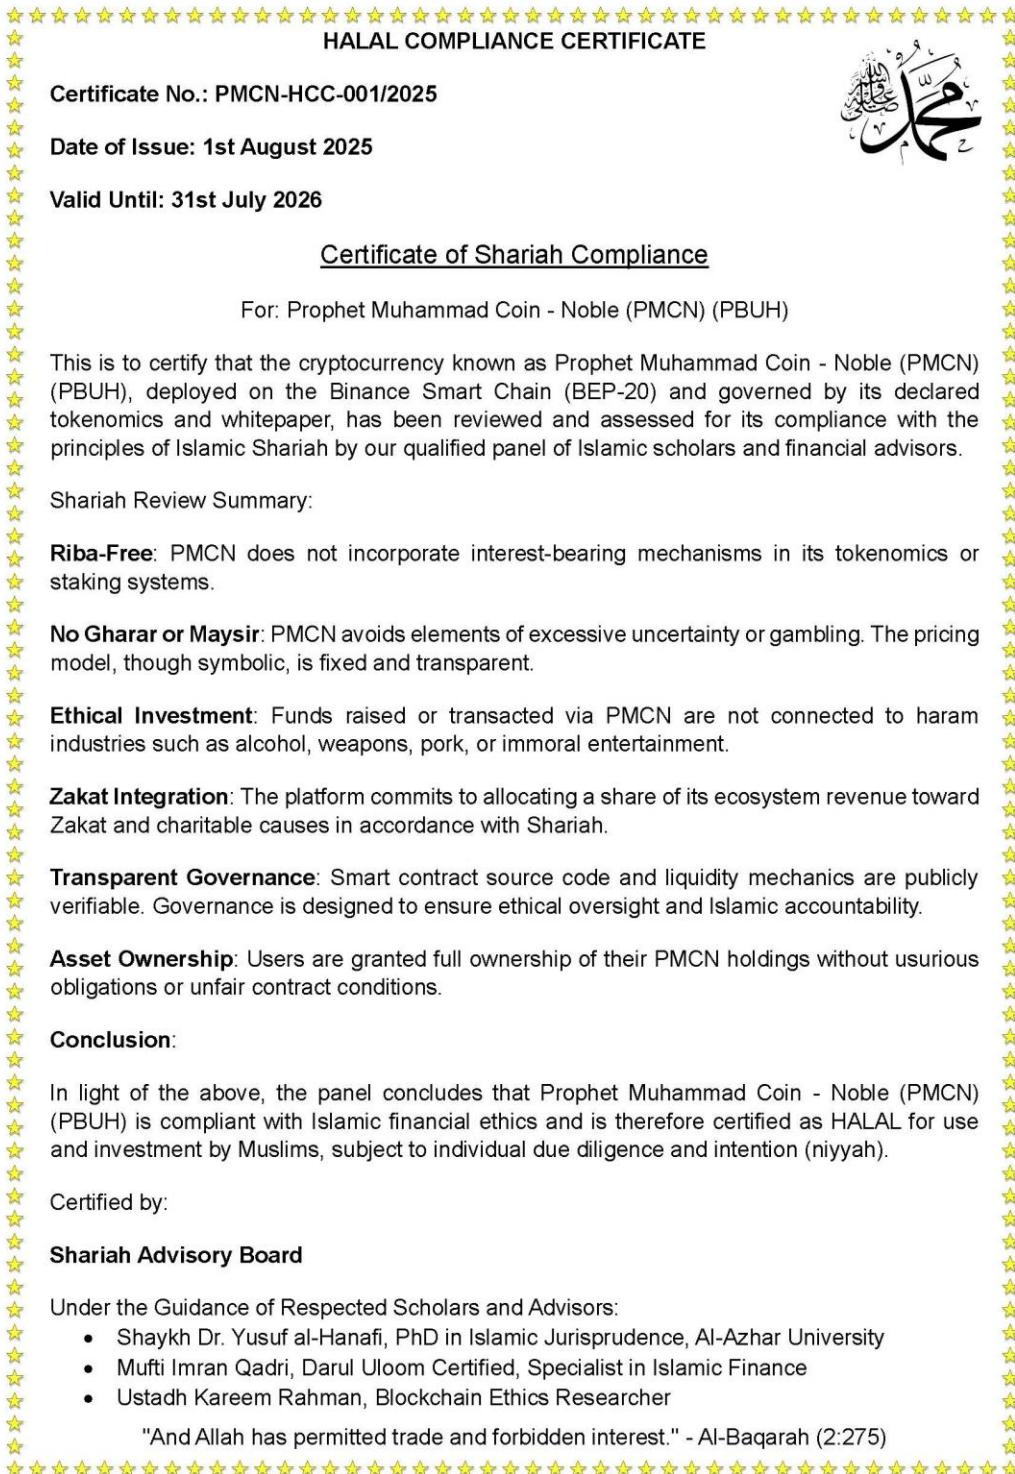

6. Scholarly & Ethical Openness

- Invitation for **Fatwa or scholarly review**
- Willingness to **pause, modify, or terminate the project** if credible Islamic scholars declare it non-compliant

The PMCN token does not constitute an **Islamic religious obligation** and is not a substitute for acts of worship or charity such as Zakat.

It is not backed by any religious fatwa unless explicitly issued by a recognized Islamic authority. **Participation is voluntary** and users are encouraged to consult with **local Islamic scholars** before engaging. This token is a charitable and symbolic representation of ethical intent, not a profit-seeking financial instrument.
